

Dr May Ng

MBBS (Hons) FHEA FRCPCH MSc LLM PhD

Dr May Ng holds a dual accreditation specialist qualification in General Paediatrics and Paediatric Endocrinology & Diabetes. She is based in Southport and Ormskirk NHS Trust and is the Associate Medical Director. She has an Honorary Senior Lecturer position at the Institute of Translational Medicine, University of Liverpool. She completed her undergraduate degree under full scholarship in Sydney, Australia and undertook her paediatric training in Australia and in the United Kingdom. She was the recipient of the UK Medical Research Council Fellowship in 2006 and completed further training to obtain a Masters and PhD degree in paediatric endocrinology and diabetes. Dr Ng also holds a Master of Laws degree and is active in medicolegal work.

Dr Ng has held over £300,000 in research grants and is an active researcher in paediatric endocrinology and diabetes. She has produced a book chapter and over 120+ publications (60 peer reviewed research papers, 55 as first/senior author) including 3 Cochrane reviews and has presented at more than 100+ scientific meetings. She is the Associate Editor of *Journal of Paediatric Diseases* and *Diabetes and Obesity International Journal*. She serves on the Editorial Board for *International Journal of Clinical Endocrinology and Metabolism*, *Journal of Pediatric Sciences*, *International Journal of Paediatrics and Child Health* and *Practical Diabetes*, and is a reviewer for many high impact journals.
