ACDC COMMITTEE MEMBERS

ACDC committee members finally had a chance to get a group photo when we met up to develop the year's work programme in April. We welcome our recently elected new members to the committee.

ACDC GUIDELINE DEVELOPMENT GROUP

This year ACDC will be working to develop a Practical Guideline on Use of Continuous Glucose Monitoring Systems (CGMS).

ACDC & ISPAD TRAINEES AWAY DAY

This year's Trainees Away Day is being organised in collaboration with ISPAD on the 15th June 2016. The programme is now confirmed and there are just a few places left. ACDC has organised this at a subsidised cost of £40. The day will take place at Park Inn by Raddison, West Bromwich. The programme is relevant for trainees, SAS doctors and newly qualified consultants in paediatric diabetes. RCPCH has approved 5 CPD points. Please complete the attached registration form on the ACDC website and return to the address given along with your payment. You will receive email confirmation on receipt of your application/payment. Please email Michelle michelle.quinn2@nhs.net ACDC Administrator for details.

CONFERENCE NEWS

Next year's conference will be at Conference Aston: Conference Centre and Hotel within Aston Business School Birmingham (15 minutes' walk from Birmingham New Street station) with ample parking. It is also bigger venue as each year we have always been oversubscribed. **DO SAVE THE DATE 3RD February 2017**

ACDC WEBSITE

ACDC has a website at www.a-c-d-c.org All health care professionals working in children's diabetes are welcome to use the site. You can register to use the 'members only' area of the site if you are working in children's or young people's diabetes clinic in the UK. All paediatricians involved in the care of children and young people's diabetes are members of the ACDC if they have attended at least 1 ACDC conference in every 5 years.
