ACDC TRAINEES DAY

We had a very successful ACDC Trainees Day in June this year organised and chaired by Dr Eleri Williams, ACDC committee member. The event was delivered virtually and 90 trainees attended. Despite the meeting being virtual, trainees engaged and participated very well and feedback for the day was excellent. Thank you to the speakers and trainees for attending.

ACDC GUIDELINES

ACDC guideline 'Care of children under 18 years with Diabetes Mellitus undergoing Surgery' is currently being updated and will be back online soon at <http://www.a-c-d-c.org/endorsed-guidelines/>. The 'Management of Type 2 Diabetes for Children and Young People' guideline is in progress to be published later this year.

ACDC PUBLICATIONS

ACDC is pleased to announce that we have published the paper entitled "Fifteen-minute consultation: Practical use of continuous glucose monitoring" in Archives of Disease in Childhood Education and practice. It is available as an open access paper here <https://ep.bmj.com/content/early/2021/05/07/archdischild-2020-321190>

"Fluid and electrolyte therapy in childhood diabetic ketoacidosis management: A rationale for a national guideline" by Chizo Agwu and May Ng is also available as open access here <https://onlinelibrary.wiley.com/doi/10.1111/dme.14595>

ACDC COMMITTEE MEMBERS CALL FOR APPLICATION

If you are a passionate clinician looking after children with diabetes, and interested in this position, please send your 1-page CV and a statement to may.ng@nhs.net, outlining why you are interested in this position and the skills and expertise you could contribute to ACDC. There will be 3 vacancies available due to end of term for some of our committee members. The closing date for the application is September 30th 2021. Shortlisted candidates will be invited to an online interview panel on the 12th November 2021 at 2pm. Successful candidates will be expected to attend the ACDC Annual AGM and the Annual Conference AGM meeting on the 4th February 2022.
