CALL FOR DIABETES RESEARCH STEERING GROUP MEMBERS

Formerly the Clinical Studies Groups NIHR, the Diabetes Research Steering Group (DRSG7) for Children and Young People (CYP) helps to improve the lives of CYP with or at risk of diabetes through research. The groups bring together researchers, healthcare professionals and people living with diabetes, to identify where research needs to happen so we can make the greatest possible difference to the lives of people with diabetes. We are currently seeking applications from Healthcare Professionals and Researchers who would be interested in joining us and contributing to DRSG. Please apply to the committee via <https://www.diabetes.org.uk/research/our-approach-to-research/diabetes-research-steering-groups> (deadline 31st January 2022)
